

RIBBONS for Computer Printers

Aspen Ribbons, Inc.

order information

- 1.** Identify the ribbon(s) you need by referring to this catalog. Order your ribbon(s) by using the correct product name, as listed under the photograph. Aspen Ribbons, Inc. does not use model numbers for customer orders.

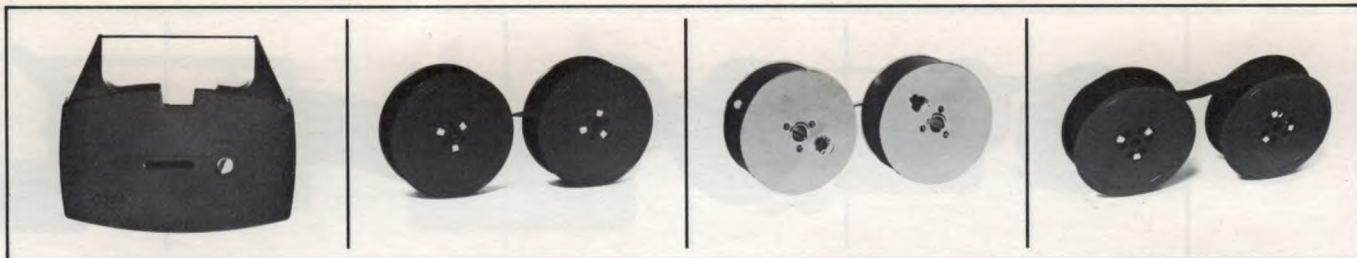

- 2.** Refer to the enclosed price list to confirm the price and description of your ribbon(s).

- 3.** To order by phone, call our Customer Service/Order Department:
 - 800-525-0646 (End User)
 - 800-525-9966 (Wholesale)
 - (303) 444-4054
 - Telex 45-0055 (International)

- 4.** You may also order your ribbon(s) through the mail with a written purchase order. Aspen Ribbons, Inc. welcomes VISA, MasterCard, American Express, Diner's Club, or Carte Blanche orders. We will also ship COD, accept your company check, or ship on credit if you have filled out our credit application.

- 5.** Please feel free to call us for any additional information.

- 6.** For a complete listing of our business terms and conditions see the back of this catalogue.

Aspen Ribbons, Inc. was founded in 1975, and is, today, the world's largest recycler of used computer ribbons. Aspen Ribbons has emerged as a leading manufacturer of new ribbons for computers and printers of all types. The company offers one of the most complete ribbon lines available in the ribbon industry. All products are produced at Aspen Ribbons' manufacturing facility in Boulder, Colorado, located in the foothills of the Rocky Mountains.

Aspen Ribbons, Inc. prides itself in quickly supplying quality products, at competitive prices, to all parts of the world.

Terms Standard terms are Net 30 from date of shipment to credit-approved accounts. COD, Cash-In-Advance, Letter of Credit, MasterCard, VISA, American Express, Diner's Club, or Carte Blanche payments are encouraged.

Conditions F.O.B. Boulder, Colorado U.S.A. No shipments to any account 15 days past due. Aspen Ribbons adds 21% per annum to all past due accounts. You, the customer, are responsible for all collection costs incurred by Aspen Ribbons, Inc.

Shipping Domestic shipments are handled by U.P.S. International shipments are routed by customer request. Freight charges plus a \$1.00 handling charge are added to all invoices.

Discounts A 3% discount is applied to all qualifying COD or Cash-In-Advance shipments. MasterCard, VISA, American Express, Diner's Club, Carte Blanche, and Letters of Credit do not receive the 3% discount.

Combine products for quantity discount prices on the same order. For example: Order 36 each of two different products at the same time and receive the 72-143 quantity price break for each product.

End Column Pricing End column pricing is available to those companies who sign our End Column Agreement and agree to purchase \$12,000 worth of ribbons per year.

Annual Agreements and Contracts Annual agreements can be signed to secure more advantageous pricing. Contracts and purchase orders with extended shipping dates will also be accepted. Call (303) 444-4054, 800-525-9966 (wholesale), or 800-525-0646 (end user) for details.

Minimums There is a \$25.00 minimum order requirement. For orders under the \$25.00 minimum, a \$7.50 handling charge is added. COD, Cash-In-Advance, Letter of Credit, MasterCard, VISA, American Express, Diner's Club, and Carte Blanche orders are excluded.

Claims and Returns All claims for damages in shipment must be made within 5 days of receipt of goods.

No returns are accepted without a Return Authorization Number issued by an officer of Aspen Ribbons, Inc. No returns are accepted, for any reason, after 180 days from date of shipment. Returns are accepted for repair or replacement only . . . **not for credit.**

Restocking A 25% restocking charge is added to all products returned to our stock room because of customer misordering, customer inability to use or sell the product, or customer non-acceptance of shipment.

Custom Products Custom products are available by special request only. Color, MICR, Heat Transfer, OCR, Laundry Marking, and other specialty inks are custom products. Returns on custom products are not accepted for any reason.

Colors Most ribbons are available in colors. Add an extra \$.50 per ribbon for each multistrike ribbon cartridge and \$2.00 per ribbon for each nylon cartridge or spool ribbon. Wide line ribbons are not available in colors. Standard colors are blue, brown, green, red, and purple.

A minimum order of twelve is required for any color ribbon type. Call (303) 444-4054, 800-525-9966 (wholesale), or 800-525-0646 (end user) for availability.

Nylon Ribbon Inserts (Loads) Virtually any size nylon ribbon insert is available. Please specify mobius loop (twist) or regular wind. Inserts must be ordered by the dozen only. Inserts are available in standard colors . . . red, blue, green, brown, and purple for an additional \$2.00 per insert. No returns allowed for any reason.

Multistrike (Carbon Film) Ribbon Inserts (Pancakes) Multistrike ribbon inserts must be ordered by the case. Inserts are available in standard colors . . . red, blue, green, brown, and purple for an additional \$.50 per insert. No returns allowed for any reason.

Inked Nylon Inked nylon is available by the bolt (normally 400 to 700 yards per bolt . . . depending on width). Please specify width, mil thickness, type, and ink color. All quotations are custom.

Recycling Unless otherwise specified, recycled means **respooled** (with new nylon) for a spool ribbon, **restuffed** (with new nylon or film) for a cartridge ribbon, and **reinked** for wide line ribbons. You, the customer, must send us the used ribbons to be recycled.

New Ribbons Aspen Ribbons, Inc. manufactures a wide variety of cartridge, spool, and wide line ribbons. The company inks, stuffs, winds, and welds its own nylon and, in many cases, injection molds its own plastic parts.

Guarantee All products are guaranteed against manufacturing defect for 180 days from date of shipment. Aspen Ribbons cannot warrant damage resulting from customer misuse of improper storage, nor can they be liable for incidental or consequential damages.
